The off-centered design, an innovative solution to an old problem

We hear you. We are back with a world-first solution to an old problem. With our off-centered design and an advanced lock case with 60mm backset, we took care of your worries about having the risk of finger pinching, especially to your loved ones. Not only that, but we have also improved the design to make the queen and princesses in the house happy with less worry about their nicely done manicure. Stylish, elegant and yet practical, and flexible

Yale Luna Series won the Sunflower Awards 2022

The fully automated locking and unlocking

We love our families. Family always comes first in our mind, so do our innovations. With Yale, your family is always in our minds when it comes to securing your home entrance. Our cutting-edge fully-auto lock case makes locking and unlocking experience smooth and fast with low noise. Now, even your kids can open and close the door safely and effortlessly, thanks to the fully-auto operation.
